

Leonardo Teubal

Software Engineer

Bastrop, TX · [linkedin.com/in/leonardo-teubal](https://www.linkedin.com/in/leonardo-teubal) · info@leonardoteubal.com

TECHNICAL SKILLS

Back End: PHP, MySQL, Symfony, Laravel, REST APIs, Webhooks, JSON.

Front End: JavaScript/ES6, Angular, TypeScript, AngularJS, Vue.js, HTML5, CSS3, jQuery.

API Integration: Delighted, Exago, ChatGPT, QuickBooks, Twilio, OAuth2, Zapier, Postman.

Testing / Debugging: Protractor End-to-end Testing (Jasmine Framework), Xdebug.

Tools and Methodologies: Git, Docker, PhpStorm, Azure DevOps, Linux (Ubuntu), Agile (SCRUM).

PROFESSIONAL EXPERIENCE

Contract Software Developer

Sep 2023 – Ago 2024

Noritex – Remote

Project Development: Led the development of a new rental management system for home decor and furniture products, collaborating closely with a small team. Managed the project remotely while balancing personal responsibilities during a family relocation to Austin, Texas.

Back-End Development: Utilized PHP (Laravel 10), Inertia, and MySQL to develop and maintain server-side logic and database management.

Design Implementation: Adapted external Figma designs to ensure a visually appealing and user-friendly interface.

Front-End Development: Employed Vue.js, Tailwind CSS, HTML5, and JavaScript to build responsive and dynamic front-end components.

Tools: Used Git for version control, ChatGPT API, and Laravel Forge for deployment.

Senior Full-Stack Software Developer

Jun 2020 – Sep 2023

Point of Rental – *Fort Worth, Texas*

Software Development: Engineered and optimized complex software solutions, utilizing PHP 7 (Symfony), Javascript (AngularJS and Angular), and MySQL to enhance system functionality and UX.

Collaboration & Peer Review: Engaged in peer programming and conducted meticulous peer reviews to ensure code quality and functionality, contributing to a large reduction in post-deployment issues.

Quality Assurance: Participated in the QA processes overhaul and implemented automated testing using Protractor, bolstering software reliability, and minimizing manual testing needs.

API Integration: Successfully integrated multiple external applications through robust API development, streamlining data flow and enhancing platform interoperability.

Agile Methodology: Actively participated in an Agile (SCRUM) cross-functional team, contributing to efficient project management and timely delivery through short, focused sprints.

Technology Utilization: Enhanced software development practices with the use of Linux, Docker, Azure, Git, and PhpStorm.

Front-End Redesign: Played a key role in redesigning the client's customer interface. Collaborated with cross-functional teams to enhance usability, improve customer feedback, and increase user engagement.

Full-Stack Software Developer

Mar 2018 – Sep 2019

Ornsoft Corporation – *Miami*

Leadership: Directed a 3-engineer team, delivering four international projects promptly within budget.

Back End: Managed development/maintenance using LAMP (LARAVEL), PHP 7, GIT, and MySQL.

Front End: Led application UI development with HTML5, CSS3, Bootstrap, and Vue.js.

API & Library Integration: Integrated APIs (Twilio, PayPal) and libraries (Open Layers, DomPDF).

Back-End Web Developer

Dec 2017 – Mar 2018

Overseas Travel International – *Miami*

Application Development: Played a key role in the back-end development of a travel application using LAMP stack (Laravel 5.4, PHP 5.6, MySQL, Linux, HTML5, CSS3, JQuery, GIT, and Bootstrap) within a three-person team guided by a project manager.

API Development: Developed a RESTful API with Laravel/Passport for efficient data access and application functionality.

Full-Stack Web Developer

Nov 2009 – Dec 2016

Página Fácil – *Argentina*

Back-End Development: Developed and maintained a SAAS CMS using PHP 5.3 and CakePHP on a LAMP stack, ensuring robust database management with MySQL.

Front-End Design: Designed user interfaces using Javascript, HTML, CSS, and JQuery, enhanced UX/UI with AJAX, Photoshop, and Bootstrap.

EDUCATION / LANGUAGES

B.A. in Computer Science, University of Buenos Aires.

Spanish (Native), English (Fluent), French (Reading).

U.S. Citizen.
